EWOK LED GROUND LIGHTS

R6LED240S

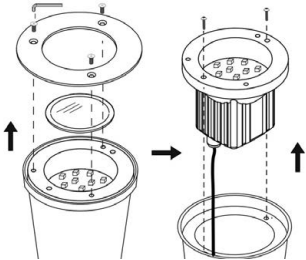

R10LED240S

EWOK LED MAINS GROUND LIGHT

- 316 marine grade stainless steel front plate with very high resistance to corrosion
- Die cast aluminium housing
- R6LED240S requires a 50mm PVC sleeve when installed in concrete
- R10LED240S requires a 100mm cut out, however it comes with mounting sleeve and when this is used, the cut out is 105mm.
- Suitable for walk-over application
- Pre-wired with 3m rubber flex
- Wide operating ambient temperature range of -20°C to +40°C
