- Spring back socket lid covers.
- Suitable for all BS 13 amp plugs.

See page 100 for product specifications.

TPS401

TPS401

Multi-Box with 4-Gang Socket Strip & Hinged Lid

This IP55 addition to the Powerseal range comes complete with a 4 way, 13 amp socket strip providing the ideal solution for outdoor plug-in power. The quick release hinged lid allows easy access to the power strip and a lockable cover facility provides protection and security against tampering. Unlike conventional outdoor power sockets the TPS401 will accommodate bulky lighting transformers etc. Cable and plug to the 4 way socket strip is not included.

- Hinged lid for quick and easy access outdoor power.
- Suitable for 13 amp plugs and selective timers.
- Spacious design allowing for transformer storage.
- Allows up to 4x appliance outlets.
- 5x cable seal outlets.
- Fully weatherproof to IP55 rating.
- 4 way socket strip included (cable and plug not supplied).
- Tough and durable reinforced plastic lid and housing.
- Lockable cover facility.
- Ideal for transformer linked garden lighting and other outdoor appliances.

TPS203

TPS203

- 20AX (fluorescent rated) single gang DP switch.
- 8x 20mm knock-out cable entries (bottom entry supplied with cut to size grommet).
- 2x earth terminals in back box.
- Complies with BS1363 & EN60669.
- IP55 weatherproof rating when lid closed.
- Impact resistant housing.
- Spring back socket lid cover.
- Suitable for all BS 13 amp plugs.

**ENERGY SAVING
TIMEGUARD**

On all selected products.

A weatherproof range of sockets and switches ideally suited to meet your outdoor power needs.

This range includes single and twin gang sockets to IP55.

The twin socket has individual covers to protect the second socket when not in use.

Powerseal IP55 Multi-Box

Ideal for most outdoor power needs including power for deck areas, power tools, electric BBQs, lawn mowers, strimmers and festive lighting decorations.

Robust lockable lid allows quick and easy access to power strip.
