

MOBILE WORKERS

Mobile Skin Safety Cradle

A unique skin safety solution for vehicles and areas of limited space, the SC Johnson Professional® Skin Safety Cradle is a compact and complete 3-step skin care system. It can be conveniently fitted inside vans or work cabins and contains everything needed to protect, cleanse and sanitise the skin.

The products do not require running water. The unit is robust for high durability and comes pre-drilled in four places for ease of fixing. The dispensing unit holds all three cradle cartridges. (Cartridges supplied separately.)

Cradle dimensions: 260(h) x 307(w) x 93(d)mm.

Protective Cream - Combined protection and reconditioning cream. Protects against both oil and water-based contaminants. Contains moisturisers.

Hand Cleaner - Heavy duty hand cleaner for use without water to remove oil, grease and general dirt and grime. Easily wipes away with paper towel.

Hand Sanitiser - Highly effective broad spectrum alcohol-based hand sanitising gel which kills 99.999% of many common germs.
