The **Cotton Blanket** is a large, soft covering to provide patients with warmth and comfort while they receive treatment. The blanket is 100% cotton with a solid hemmed edge at each end to prevent fraying. The cellular design and natural fibres ensure the blanket is light and comfortable to wear. It can be used to cover patients, elevate limbs or as a pillow. It's delivered in a transparent plastic zip pouch for storage. Dimensions: 150cm x 200cm
