

Product Specifications

Accident Book, A4

- Workplace Accident Book for keeping record of accidents
- Provides a quick and easy system for recording accidents in the workplace
- Contains space to record up to 53 incidents
- Perforated forms allow easy removal of individual records
- Meets requirements of the Social Security Administration Act and GDPR

The **A4 Accident Book** is a must have for any school or workplace to record accidents and injuries befalling employees, students or visitors. This accident book meets the legal requirements set by the Social Security Administration Act 1992 and the Data Protection Act 2018 (GDPR). All accidents at school or in the workplace must be recorded in the accident book. The book's clear layout makes it easy to record information relevant to incidents and the perforated pages are easily removed. The book has space to record up to 53 entries.

Accident Book
 From this book, employers can easily get to it.
 Ensure the book is kept up to date.

GDPR Compliant accident book
