

Personal Protective Equipment Guidance Poster

- Protect your employees and avoid costly accidents
- User friendly text and clear instructions show employees how to prevent accidents and injury whilst maintaining a healthy working environment
- Durable laminated construction with full colour illustrations
- Compiled by qualified health and safety practitioners
- Also available in wall mountable frames

The Personal Protective Equipment Poster is highly recommended to be displayed in workplaces where Personal Protective Equipment is required to be worn. The Personal Protective Equipment along with Personal Protective Signs will reinforce the need to wear appropriate equipment due to the risks present in the workplace. The Personal Protective Equipment Poster offers an overview on why Personal Protective Equipment is vital as well as provides a classification of the different equipment that might be used depending on the risks encountered in the workplace.
