

'Drain Clear' Set

- Drain Clearance Set in a handy carrying case.
- Ideal for use with short drain runs up to 30m.
- Available with either Universal or Lockfast Fittings. The advantage of Lockfast Fittings is that they cannot come undone down the drain.
- Ready packed in a strong polypropylene carrying case.
- Set comprises of 30ft of rods, together with 100mm Plunger, Double Worm Screw and 100mm Drop Scraper.
- Horobin quality guaranteed.
