Brushware

Welcome

Brushware has supplied FSC certified British assembled brooms, brushes and allied products across the UK and Europe for over 40 years. Some of the world's best-known construction and industrial wholesalers, builders merchants, buying chains and DIY groups look to us for speedy turnaround, competitive prices, palletised freight and superior customer service.

Our FSC certification shows our commitment to full product sustainability for all our wooden products, from seed to tree and back to re-planting.

We assemble and make all our goods in our Midlands HQ, taking care of quality, sustainability and consistency. So you can be sure every Brushware product is up to the job – and built to last.

PORCUIPE GUTTERBRUSH

Say goodbye to gutter cleaning costs

The Porcupipe Gutterbrush – our newest product – keeps gutters clear year round, whatever the weather. Installed in minutes and virtually indestructible, the Porcupipe fits to the shape of your gutter, letting rainwater flow freely while shrugging off leaves and twigs.

- >> Available in a range of diameters
- >> No need for specialist installation
- >> UV-resistant protective coating
- >> Maintenance free for 5-7 years in most cases

The Porcupipe Gutterbrush is ready to protect your property straight from the box, blocking harmful build-up and keeping channels consistently clear. It's also built to perform in extreme temperatures, so the pricy gutter cleaning could be gone forever.

This product is manufactured for many leading brands and distributors in their OEM brand, from our state-of-the-art machinery in the Midlands.

Make the switch to low-maintenance gutter cleaning with the Porcupipe Gutterbrush. Get all the time and money-saving details from our sales team on 0121 707 6677 or email sales@brushware.co.uk.
