

MK Aspect

The simple, clean styling of Aspect is both modern and contemporary, so it looks at home anywhere, in almost any kind of environment where style and quality are important.

The profile is just 4mm slim, so it's discreet, as well as stylish, while the concealed screws leave an elegant frontplate, making it more attractive still.

- 4mm slim profile.
- Modern and contemporary.
- Available in 13 standard finishes.
- Concealed screws.
- Matching metal rockers.
- Choice of black or white inserts.

MK Edge

Edge design is smooth, clean and the products are very slim – in fact just 1.5mm.

An impressive yet subtle statement, available in an unrivalled range of finishes, Edge is the choice in modern, contemporary or traditional interiors where style and detail are the desired effect.

- 1.5mm slim profile.
- Stylish and super slim.
- Available in 14 standard finishes.
- Matching flathead screws.
- Matching metal rockers available.
- Choice of black or white inserts.

Its all in the detail

Inserts

With a choice of black or white inserts, even greater possibilities are available to the most discerning. Enhancing any interior.

With its simple, clean styling, Aspect looks at home anywhere. The profile of the metal front plates are just 4mm slim, so it is discrete, as well as stylish, while the concealed screws leave an elegant frontplate making it more attractive still.

Aspect is available in 13 standard finishes.
