LARGE EXTINGUISHER COVER

PRODUCT INFORMATION

This large fire extinguisher cover can be used on extinguishers up to a 9kg/l size. Velcro straps at the back of the cover make it very easy to fit and it can also be removed quickly in the event of a fire. The eye-catching red and black design also has a full length vision panel to allow the extinguisher to be viewed at all times.

- Low-cost method of extinguisher protection
- Eye-catching red and black design
- Full length vision panel
- Velcro straps for simple fitting
