ESSENTIAL TILE AND BATHROOM APPLICATIONS

3-piece Basic Tile Set for essential tile and bathroom applications

- 3 Starlock blades for routing grout joints between tiles, scraping mortar and plunge cutting wood and non-hardened metal
- Starlock Snap-In mounting system for fast blade removal and exchange within 3 seconds without having to touch the blade

The Starlock Snap-In mounting system allows fast blade removal and exchange within 3 seconds without having to touch the blade. The mounting system produces the highest power transfer due to a 3-dimensional tight-fitting connection between machine and accessory.

All Starlock, Starlock Plus and Starlock Max power tools as well as common multi-tools are compatible with these accessories.
