

Nest Cam (indoor, wired)

Nest Cam tells you more about what's going on inside.

Better phone alerts, built in.

With intelligent alerts, Nest Cam can tell the difference between a person, vehicle, and an animal. Get alerted about things that matter to you.

Know what's happening, 24/7.

You can check in on your home from anywhere with 24/7 1080p HDR video.² Plus, you also get 3 hours of video history on us.

Designed for any home.

Nest Cam is thoughtfully designed to fit in with any home decor. It even has a built-in stand that can be mounted on a wall.

Your video is safer with Google.

Enhanced security through your Google Account, encrypted video and status indicating LEDs help protect your privacy.
