

# Hive Thermostat

Award-winning Hive Thermostat could help you save up to £311 a year by never heating an empty home<sup>(1)</sup>. Control it on the device, via the Hive app, or even with your voice, and get alerts if you accidentally leave it on when you head out.

## Features

Manage your heating and hot water from anywhere using the Hive app.

Add more thermostats to control up to 6 zones of heating if you have an existing multizone heating system.

Frost protection protects your pipes from freezing in winter.

Geolocation reminds you to switch off the heating if you've gone out and left it on

Holiday mode lets you manage your heating while you're away.

Works with Alexa, Google Assistant, Apple HomeKit, Siri Shortcuts and IFTTT

Group with other Hive devices to create a smart home.
