

White Floodlight Cam Wired Plus

Hardwired for non-stop peace of mind, Ring Floodlight Cam Wired Plus offers reliable outdoor protection and advanced motion detection, day or night.

Designed for larger areas of your home, such as driveways and gardens, Ring Floodlight Cam Wired Plus features a remote-activated security siren and LED floodlights for protection when you need it, and extra visibility at night. Customisable Motion Zones let you focus your security on the areas of your property that matter most.
