

White Floodlight Cam Wired Pro

The premium Floodlight Cam is hardwired for reliable protection and includes advanced motion settings to let you know where visitors are on your property. Featuring 1080p Video with HDR, powerful LED beams and a security siren, you'll see what's happening more clearly, day or night, and have extra peace of mind when you need it. 3D Motion Detection and Bird's Eye View allow you to pinpoint when and where a motion event begins with an aerial map view.
