

Nest Cam with floodlight (wired)

A floodlight meets a security camera meets intelligence.

Shine a brighter light on what's happening.

Built-in intelligent alerts help you know and see what's relevant. Tell the difference between people, vehicles, and animals.^{[1](#)}

Make the floodlight yours.

Create routines and adjust brightness, sensitivity and how long the light stays on.

Quickly take action.

Turn it on with your voice and talk through the camera if you need to.^{[1](#)}

Keep your data safe and secure.

Two-step verification enhances security, and the green LED light lets you know that it's recording.
