The Trade Series multi-tool socket box cutter makes cutting out for a single, double or even triple socket box in drywall seriously light work! The accessory is robust, simple and safe to use and provides a very clean and precise cut, even in confined spaces. Due to the oscillation action and depth of the accessory the risk of damaging hidden wires or other unknown objects behind the drywall is significantly minimised. The fitment supports dust extraction to minimise dust creation.

The Trade Series contains a huge range of high-quality multi-tool blades and accessories designed to equip trade users with an accessory for any and all requirements. Extend the capability of your multi-tool with the wide range of cutting, scraping, sanding and grinding accessories in the Trade Series.
