

Scruffs Scarfell Black Safety Boots

Scarfell includes all the features you'd expect from a safety boot that performs in the toughest working environments. Intelligently designed so it feels great, looks great, and includes everything you need to keep feet comfortable, warm and protected - all day, every day.

- Padded tongue & collar for extra comfort
- Slip resistant for safe working
- Under foot shock absorption to reduce stress on the foot and ankle
- Antistatic footwear prevents electrostatic build up to eliminate the risk of electric shock

- Flexible nubuck leather upper
- Microfresh technology prevents the growth of mould to reduce odours
- Safety Rating: S1P SRA
