

JUI-CABLE-LIGHT-3M-IMM-BLK

Behold, the Juice Immortal Apple Lightning Armoured 1 Metre Charging Cable.

Your cable will be the most used accessory for your iPhone and iPad; to ensure your cable has the best longevity Juice have engineered the most robust and strong 'IMMORTAL' cable to cope with this. No more breakages, no more inferior products that fail to do the job, one Juice IMMORTAL cable is all you need!

The cable itself is wrapped with Kevlar, if its bullet proof material, then its strong enough for us – the Immortal cable was designed to be bent over 10,000 times! When it comes to put your cable away, the Immortal cable comes with a handy cable strap to keep it nice and tidy.

The Juice Immortal MFI Approved lightning charge and sync cable is compatible with all iPhones, Air Pods & iPads from iPhone 5 & iPad 4's generation onwards, all the way up to the latest iPhone 13.

Features:

- MFI Certified - This means our cables are approved by Apple
- Extra Strong Kevlar Cable
- Armoured Cable
- Will bend over 10,000 times
- One Year Warranty
- Bold Design & Great Quality, Immortal Cables are built to last!

JUI-PBANK-3-ECO-GRY-TES

The Juice ECO 3 Charge Power Bank with 10,000mAh (Three Full Charges) battery capacity. The perfect accessory for a day or two off the grid – if you know you'll be without mains power for your little staycation or special trip away this year, don't forget to pack the Juice 3 Charge Power Bank to make sure all your devices are powered up. Don't want to miss the perfect photo op!

The Juice 3 charges an average smartphone from 0-50% battery in only fifty minutes and holds three complete charges of an average smartphone. With LEDs to check remaining energy levels – you should never get caught out!

Oh, and if you're feeling generous the Juice 3 Charge Power Bank allows you to charge three devices at once. So, if you have a friend (or two) in need you can always give them a quick power boost whilst you all charge up.

The Juice ECO 3 Power Bank now features three output ports, 2 x USB-A and 1 x USB-C and a faster 15W output. Plus being made from 100% recycled plastics means its kinder for the planet.

Don't forget all Power Banks come with a 12 month warranty.
