dimmable via LED dimmer**

EAN 8712879156710

The XXL Naturals series consists of a number of large lamps, executed in the same natural coating. These lamps have a look that fits perfectly with any cool interior and have a curled LED filament that is only visible when they are switched on. An unpolished splash shape with a subtly curled LED filament. The natural finish of the glass gives this lamp a serene look. - This LED lamp has a diameter of Ø168mm and a height of 280mm. - This LED lamp has an E27 fitting. This fitting is also called a large, thick or normal fitting. - Dimmable, with an LED dimmer, the light intensity of this LED lamp can easily be adjusted to the desired atmosphere. - Light color: 1800K. This LED lamp provides extra warm and atmospheric white light. - Light intensity: The total amount of light that this LED lamp emits is 150 Lumen. The light intensity can be dimmed with an LED dimmer. Nice above your dining table, combined with the Barcelona, Neo and Kalmar in the same colors! For the best result, combine this lamp with the Calex E27 pendulum in Black or Bronze.
