

## INVINCIBLE HEAVY DUTY 120L PNEUMATIC (1)

Bringing together our strongest frame and our largest capacity narrow body pan, the Invincible is the ultimate steel barrow. Perfectly suited for both light and heavy-duty applications thanks to its integrated tubular front support welded to the frame, and ideal for shifting large loads with ease. The Invincible is the most versatile wheelbarrow in our range.

### KEY FEATURES

#### PAN

Heavy duty steel pan with double rolled lip and "W" side wall stamp. The narrow body style makes accessing tight spaces much easier without sacrificing capacity.

#### POWDER PAINT

Polyester powder paint finish, hard wearing and looks good for longer.

#### FRAME

Heavy Duty 32mm single piece frame with tipper nose and welded brackets

#### SUPPORT

Integrated tubular front support welded to the frame, offering better weight distribution and increasing overall strength.

#### WHEEL

Lighter and stronger than a standard steel wheel, our HDPP wheel centers are made by us at our injection molding facility. Each batch of wheels is burst tested to more than 3 times the recommended PSI to ensure that every wheel we make is safe and durable.

#### HANDLES

Rubberised, soft feel handle grips, ergonomically designed to offer more comfort and better grip.
