

## BUILDER

### BUILDER 90L PUNCTURE PROOF

Offering the same sturdy construction and traditional styling of our Contractor, the Builder adds to this a larger 90L pan for moving larger loads. An excellent choice for any application.

### KEY FEATURES

#### PAN

Heavy duty steel pan with double rolled lip and "W" side wall stamp. The narrow body style makes accessing tight spaces much easier without sacrificing capacity

#### POWDER PAINT

Polyester powder paint finish, hard wearing and looks good for longer.

#### FRAME

30mm single piece frame with tipper nose and welded brackets

#### SUPPORT

Dual, galvanised steel, contoured supports

#### WHEEL

The Titan puncture proof wheel features a microcellular HDPU foam outer moulded around a HDPP wheel centre with integrated shock absorbers. Lightweight, durable, and more bounce than a traditional puncture proof, the Titan performs like a pneumatic without the risk of getting a puncture!
