

## BUILDER 90L PNEUMATIC

Offering the same sturdy construction and traditional styling of our Contractor, the Builder adds to this a larger 90L pan for moving larger loads. An excellent choice for any application.

### KEY FEATURES

#### PAN

Heavy duty steel pan with double rolled lip and "W" side wall stamp. The narrow body style makes accessing tight spaces much easier without sacrificing capacity

#### POWDER PAINT

Polyester powder paint finish, hard wearing and looks good for longer.

#### FRAME

30mm single piece frame with tipper nose and welded brackets

#### SUPPORT

Dual, galvanised steel, contoured supports

#### WHEEL

Lighter and stronger than a standard steel wheel, our HDPP wheel centers are made by us at our injection molding facility

#### TESTING

Each batch of wheels is burst tested to more than 3 times the recommended PSI to ensure that every wheel we make is safe and durable
