

**Calex XXL Specials G125 Copper Single spiral filament 220-240V 4W 120lm 1800K E27 dimmable via LED dimmer**

EAN 8712879155836

The XXL Specials series is equipped with various large, graceful lamps. The shape and the warm white light that these lamps give off make them a special and attractive addition to any interior. A smaller artistic model with a curled LED filament. The copper-coloured crackle top mirror provides a classic look. - This LED lamp has a diameter of Ø125mm and a height of 180mm. - This LED lamp has an E27 fitting. This fitting is also called a large, thick or normal fitting. - Dimmable, with an LED dimmer, the light intensity of this LED lamp can easily be adjusted to the desired atmosphere. - Light color: 1800K. This LED lamp provides extra warm and atmospheric white light. - Light intensity: The total amount of light that this LED lamp emits is 120 Lumen. The light intensity can be dimmed with an LED dimmer. Nice above your dining table, combined with the Boden and Kalmar in the same version!. For the best result, combine this lamp with the Calex E27 pendulum in Black or Bronze.
