

# Eaton EBMSL642MPMB

Catalog Number: EBMSL642MPMB

Eaton Memshield 3 MCB Distribution Board LV systems Final Distribution Board, MEM B 642, 200A TPN, incl. combined pulsed and modbus meter

## General specifications

Product Name	Catalog Number
Eaton Memshield 3 MCB Distribution Board LV systems Final Distribution Boards	EBMSL642MPMB
	Model Code
	EBMSL642MPMB
EAN	Product Length/Depth
4015081745777	130 mm
Product Height	Product Width
1130 mm	440 mm
Product Weight	Compliances
26.5 kg	RoHS conform
Certifications	
CE	

## Delivery program

### Model

1-story

### Color

Grey

## Technical data - mechanical

### Mounting method

Surface mounted (plaster)

### Material

Steel

### Degree of protection

IP3X

### Built-in depth

130 mm

## Additional information

### RAL-number

7004
