|                               |                                                       |
|-------------------------------|-------------------------------------------------------|
| <b>Insert Type</b>            | 1 gang 13A Double Pole Switched Socket                |
| <b>Insert Colour</b>          | White/White                                           |
| <b>EAN13 Barcode</b>          | 5052750551221                                         |
| <b>Commodity Code</b>         | 85363010                                              |
| <b>Luckins TSI</b>            | NOT REQD                                              |
| <b>ETIM Class</b>             | EC000125                                              |
| <b>Dimensions(Nominal)</b>    | Single: Height = 86.7mm Width = 86.7mm Depth = 10.0mm |
| <b>Weight</b>                 | 107 GR                                                |
| <b>Fixing Hole Centres</b>    | Box Fixing = 60.3mm Grid Fixing = N/A                 |
| <b>Minimum Wall Box Depth</b> | 35mm                                                  |
| <b>Current Rating</b>         | 13 Amp                                                |
