

Non Shrinkable Sleeving

Multi-reel Sleeving on a Drum

A one stop solution for users of PVC sleeving, who want all 3 colours on one handy reel, saves carrying around 3 separate reels of blue, brown and green and yellow.

- The new PVC multi reel product gives users all 3 colour's needed for the job in one handy reel
- High-grade PVC sleeve in accordance with BS-3858 Type 3, DEF STAN 59-15, IEC 684-3-101/104, UL 224
- Manufactured in Britain
- Highly flexible insulation
- Can also be used for identification
