

range introduction

When it comes to providing direct bench top access to low voltage electrical, communications and data services, MK Pinnacle is the flexible and versatile solution.

Styled to the same high standards as the MK Logic Plus range, it features a high quality finish, a curved design and twin segregated compartments. These features mean MK Pinnacle is the bench top solution for laboratories, schools and workshops.

features and benefits

Unique curved appearance

Total physical and visual integration with the MK Logic Plus range

Designed to meet the "Heavy Duty" requirements of BS 4678 Part 4

Offers high levels of mechanical protection and electrical safety
