NEBO Newton 1500 Lumens Powerful Flash Light

Product Information

Product Name: NEWTON 1500

Manufacturer: NEBOLIGHTS.com

Warranty: This product is guaranteed against all defects in workmanship and materials for the original owner for two years from the date of purchase.

Model Number: NEB-FLT-0017-G

Features

- High-powered 1500 lumen LED
- 3x adjustable zoom
- Easy Touch technology
- Powerful magnetic base
- Included Accessories: 6 AA batteries

Product Usage Instructions

Adjusting the Zoom:

To adjust the light beam from floodlight to spotlight, follow these steps:

1. Twist the zoom ring on the flashlight to adjust the light beam.
2. Rotate it to the left for floodlight mode and to the right for spotlight mode.

Battery Replacement:

If you need to replace the batteries, please follow these steps:

1. Unscrew the base of the flashlight.
2. Remove the battery cartridge.

3. Swap your old batteries with new AA batteries.
4. Screw the base back on securely.

Easy Touch Technology:

The Easy Touch technology allows you to cycle through different light modes and activate the flashlight. Follow these steps:

- Half-press the button to quickly cycle through the light modes.
- Fully press the button to activate the flashlight.
