Made in China

CHARGING

Unscrew the battery cap cover. With the USB cable connected to power, plug the USB-C end into the positive (+) end of the battery.

Charging indicator glows red when charging; green when fully charged.

FLEX-POWER

Allows the headlamp to operate with the included rechargeable battery, or two CR123A non-rechargeable lithium batteries.

OPERATION

A top-positioned button controls the power and light modes.

DIRECT-TO-RED

While OFF, press and hold button to activate Direct-to-Red. The next button press (within 8 seconds) cycles through the light modes in reverse (RED • LOW • MEDIUM • HIGH • OFF).

TURBO

While ON, press and hold button to activate TURBO MODE.

ADJUSTABLE HEAD STRAP

Simple, convenient adjustability for any size.

This product is guaranteed against all defects in workmanship and materials for the original owner for one year from the date of purchase.
