Making connections beautifully

Hamilton is a British electrical solutions provider that designs, develops and manufactures innovative electrical accessories of the highest quality.

With a vast product range including decorative switch plates and sockets, smart lighting control, new wireless audio devices. It is a one-stop shop for all wiring requirements for both the residential and hotel industries.

A family-owned and run company, Hamilton continues to build on its reputation as a trusted brand who consistently delivers high end premium wiring accessories. In today's market, technology is moving at a fast pace. Hamilton's expert knowledge, pioneering engineering skills and first class test facilities allow Hamilton to support this ever changing landscape.

Hamilton celebrated a fantastic milestone in 2018 when the business reached its 50th anniversary. It operates under the direction of Ian Hamilton and has grown since its inception to employ over 150 customer-focused staff and distribute its class-leading solutions around the world.

Images remain the property of Hamilton litestat and all images are for illustration purposes only and may not reflect the actual product due to manufacturing processes, we cannot guarantee an exact colour match and shadings of certain finishes. E&OE 2021.
