

Combination Range

A premium range of high performance combination locks

Toughness guaranteed.

Combination Range

A premium range of high performance combination locks

Unique in design, our combination locks are manufactured to the highest standards for quality performance. Easy to use, they are fully recordable and many can be coded alike so one code opens several locks. Many of our locks are patented and are supported by Crimestoppers and Secured by Design.

In the @WORK combination range Squire offer the **Stronghold®** combination padlocks, **SHCB 75** and **CBW85** which all have 5 wheels giving 100,000 possible combinations. Within the **Warrior** range the 45mm and 50mm versions have 4 wheels giving 10,000 possible combinations, the 65mm versions have 5 wheels giving 100,000 combinations.

Squire combination locks feature our patented TORQ DRIV™ technology to ensure the lock cannot be accidentally recorded.

Vulcan™ Combi Range

A mighty robust high security range of combination locks

Named after Vulcan, the ancient Roman god of fire and metalworking, this mighty tough combination padlock range takes some beating. Easy to use in 4 and 5-wheel versions, these Vulcans are fully recodable and offer up to 100,000 combinations. That's why they're supported by the independent crime-fighting charity Crimestoppers.
