

**MPN:** NLWB25

**Product Name:** 25 x 160mm Wood Beaver High Speed Drill Bit

**Brand:** Newlec

**Category:** Drill Bits

---

**Product Description:** The 25 x 160mm Wood Beaver High Speed Drill Bit from Newlec is designed for efficient and precise drilling in wood. Its four deep auger style flutes allow for rapid chip evacuation and faster drilling speeds, while the 1/4" quick change shank enables rapid diameter tool changes and use within impact drivers. This drill bit provides ultra-clean breakthrough, extreme drilling comfort and balance, and fits standard bit holders, making it a versatile and reliable tool for woodworking applications.

---

**Key Features:**

- 1/4" quick change shank for rapid diameter tool change and use within impact drivers
- Four deep auger style flutes for rapid chip evacuation and faster drilling speeds
- Ultra clean breakthrough
- Extreme drilling comfort and balance
- Fits standard bit holder
- Fast and efficient drilling

---

**ETIM Class-9.0:** Core drill bit (EC000704)

**ETIM Features:**

- Nominal size (mm): 25

---

**Applications:**

- Woodworking
- Carpentry
- Construction
