

MPN: NLHPSE400

Product Name: 400w E40 High Pressure Sodium Elliptical GES Lamp

Brand: Newlec

Category: High-Pressure Sodium (son) Lamps

Product Description: The NLHPSE400 is a high-intensity discharge (HID) lamp that provides outstanding luminous efficiency, excellent lumen maintenance, and improved reliability due to its arc tube design. With a lifespan of up to 32,000 hours, it offers market-leading performance for various lighting applications.

Key Features:

- Outstanding luminous efficiency providing market leading performance
 - Excellent lumen maintenance for optimum performance through to end of life
 - Improved reliability due to arc tube design
 - Up to 32,000 hours life
-

Specifications:

- Cap: E40
- Lamp power (W): 400
- Luminous flux (lm): 53200
- Colour temperature (K): 2000

ETIM Class-9.0: High pressure sodium lamp (EC000821)

ETIM Features:

- Cap: E40 (EV000099)
- Lamp power (W): 400
- Luminous flux (lm): 53200
- Colour temperature (K): 2000
- Lamp efficacy (lm/W): 133
- Model: Frosted
- Average nominal lifespan (h): 28000

Applications:

- Suitable for various high-intensity lighting applications, including industrial and outdoor lighting.
