

MPN: NLSDS12XL

Product Name: 12.0 x 1 Meter Extra Long SDS+ Hammer Drill Bit

Brand: Newlec

Category: Building Tools

Product Description: The NLSDS12XL is a premium quality 12.0 x 1 Meter Extra Long SDS+ Hammer Drill Bit designed for rapid penetration in masonry materials and concrete. It is engineered to deliver exceptional performance and durability in demanding construction applications.

Key Features:

- Latest carbide tip technology for increased penetration and efficiency of cut
- Optimized flute design for rapid spoil removal and added strength
- Manufactured to established European standards and tolerances
- Manufactured in the UK for superior quality assurance

Specifications:

- Size: 12.0 x 1000 mm
- Holding System: SDS-plus

ETIM Class-9.0: Core drill bit (EC000704)

ETIM Features:

- With pilot drill: Yes
- Holding system: SDS-plus (EV004562)

Applications:

- Ideal for professional construction and building applications requiring long reach and high-performance drilling in masonry and concrete materials.
