

MPN: NLMAS6X100

Product Name: 6.0 x 100mm Masonry Hammer Drill Bit

Brand: Newlec

Category: Drill Bits

Product Description: The NLMAS6X100 is a rolled flute masonry drill designed for use in most masonry materials. Its robust construction and precise engineering make it an essential tool for professionals and DIY enthusiasts alike.

Key Features:

- Suitable for cordless & corded drilling tools
- Designed for use on rotary percussion mode
- High-quality carbide tip for efficient drilling
- Reinforced flute for improved durability
- Precision-engineered for accurate hole drilling
- Suitable for use in brick, stone, concrete, and other masonry materials

Specifications:

- Size: 6.0 x 100mm
- Material: Carbide
- Shank Type: Round
- Flute Type: Rolled
- Application: Masonry

ETIM Class-9.0: Core drill bit (EC000704)

ETIM Features:

- Nominal size (mm): 6
- Holding system: Axle shaft (EV003749)

Applications:

- Ideal for professional construction and DIY projects
- Suitable for electricians, plumbers, and general contractors
- Perfect for installing fixtures, anchors, and fasteners in masonry surfaces
