

MPN: NLHFDSS

Product Name: 2.3kw IP x 1 Stainless Steel Automatic Hand + Face Dryer

Brand: Newlec

Category: Hand Dryers

Product Description: The 2.3kw IP x 1 Stainless Steel Automatic Hand + Face Dryer from Newlec is a state-of-the-art hand drying solution designed for high-traffic washroom facilities. This sleek and durable dryer features infrared touch-free activation, a blue LED to indicate the dry zone, and a rotatable nozzle for efficient hand or face drying. Its steel construction with chrome plated nozzles and anti-tamper screws ensures added durability, making it ideal for commercial and public environments. With a powerful 26m/s airspeed, this hand dryer delivers quick and efficient drying performance while maintaining energy efficiency.

Key Features:

- Infrared touch-free activation
- Blue LED to indicate dry zone
- Rotatable nozzle for hand or face drying
- Steel construction with chrome plated nozzles and anti-tamper screws for added durability
- 26m/s airspeed

Specifications:

- Housing material: Stainless steel
- Sound level (in operation) (dB): 70
- Type of excitation: Approach electronics
- Degree of protection (IP rating): IPX1

ETIM Class-9.0: Hand dryer (EC001212)

ETIM Features:

- Housing material: Stainless steel (EV000294)
- Sound level (in operation) (dB): 70
- Type of excitation: Approach electronics (EV004863)
- Degree of protection (IP rating): IPX1
- Height (mm): 237
- Width (mm): 270
- Depth (mm): 208

Applications:

- Ideal for commercial washrooms, public facilities, and high-traffic environments.
