

Easee Ready

With Easee Ready (backplate and blind cover) you can prepare to get a future charging point at low cost.

To upgrade to a full charge point, you can at any time buy the Easee Plug & Play (Chargeberry and front cover in any colour). This allows you to easily scale the system without any additional electrical work.

Features

- EV ready charge point at low cost.
- Supports the expansion of multiple charging stations on the same cable.
- Easy upgrade with an Easee Plug & Play charger.
- Developed and manufactured in Norway.
- Manufacturer guarantee: 3 years (UK).

Safety

Protection

Degree of protection: IP44 (the backplate is IP22 without cover).
Impact resistance: IK10.

Complies with the following regulations

2011/65/EU (RoHS).
2014/35/EU (LVD).
See DoC for details at easee.com/doc

Technical

Wiring
