

MPN: NLMEMBRKTAX

Product Name: Mounting Brackets For Enclosure Weatherproof Steel

Brand: Newlec

Category: Wall Mount Steel Enclosures

Product Description: The Mounting Brackets For Enclosure Weatherproof Steel by Newlec are ideal for convenient one-person assembly of wall-mounted enclosures, even in confined spaces. These brackets are designed to provide a secure and reliable mounting solution for wall-mounted steel enclosures.

Key Features:

- Screw-fastened directly from the rear with a self-tapping screw into the enclosure eyelet
 - Simply suspend the wall-mounted bracket from a screw in the wall
 - Different mounting positions allow the wall mounting bracket to be tailored to local conditions on site
 - As an alternative to the self-tapping screw, the support may also be secured from the inside using an screw and nut
-

Specifications:

- Material: Steel
- Colour: Silver

ETIM Class-9.0: External mounting accessories for enclosure (EC002625)

Applications:

- Suitable for use in industrial, commercial, and residential settings for securely mounting steel enclosures to walls.
