

MPN: NLME504021AX

Product Name: 500 x 400 x 210mm IP66 Light Grey Steel Enclosure Weatherproof Complete With Backplate

Brand: Newlec

Category: Wall Mount Steel Enclosures

Product Description: The NLME504021AX is a robust and weatherproof steel enclosure designed to provide reliable protection for electrical components in outdoor or harsh environments. With its dimensions of 500 x 400 x 210mm, this enclosure offers ample space for various electrical applications. The IP66 protection rating ensures resistance to dust, water, and other environmental factors, making it suitable for a wide range of industrial and commercial settings. The all-round foamed-in PU door seal further enhances the weatherproof capabilities, while the light grey RAL7035 colour provides a professional and modern appearance.

Key Features:

- Ingress protection IP66
- All round foamed-in PU door seal
- Colour RAL 7035
- Gland plate on base
- Includes zinc plated mounting plate

Specifications:

- Dimensions: 500 x 400 x 210mm
- Material: Steel
- Colour: RAL7035
- Protection Rating: IP66
- Mounting Type: Wall Mount

ETIM Class-9.0: Enclosure/switchgear cabinet (EC000261)

Applications:

- Industrial facilities
- Commercial buildings
- Outdoor installations
- Harsh environments
