

MPN: NLSWC1004E

Product Name: 100A IP65 Moulded TP+N Manual Changeover Switch

Brand: Newlec

Category: Change Over Switches

Product Description The NLSWC1004E is a high-quality 100A IP65 Moulded TP+N Manual Changeover Switch designed for reliable performance in changeover applications. It is built to ensure seamless switching between power sources with ease and safety.

Key Features:

- 25mm cable entries for easy installation
- Easy access & switch removal for convenient maintenance
- Robust polycarbonate enclosure with UV resistance for durability
- EN 60947-3 compliant for adherence to industry standards
- Enclosure glow wire flammability rating of 960°C for enhanced safety

Specifications:

- Rated Current: 100A
- IP Rating: IP65
- Number of Poles: TP+N
- Material: Polycarbonate
- Compliance: EN 60947-3

ETIM Class-9.0: Switch disconnecter / isolator (EC000216)

ETIM Features:

- Rated permanent current I_u (A): 100

Applications:

- Suitable for use in industrial, commercial, and residential settings for reliable changeover operations.
