

MPN: NLIT2G

Product Name: 25mm 3 Way Galvanised Steel Conduit Inspection Tee

Brand: Newlec

Category: Steel Conduit

Product Description: The 25mm 3 Way Galvanised Steel Conduit Inspection Tee by Newlec is a durable and reliable component designed for use in cable management systems. This inspection tee is suitable for both surface and sub-surface locations, making it ideal for a wide range of applications. It is compliant with London Underground (LU) Standard 1-085 and BS EN 61386-1:2008, ensuring high standards of quality and safety.

Key Features:

- Compliant to London Underground (LU) Standard 1-085 (for use on surface and sub-surface locations)
 - For use in conjunction with conduit tube cable management system
 - Number of inlets: 3 (T connection)
 - Compliant to BS EN 61386-1:2008
-

Specifications:

- Material: Galvanised Steel
- Size: 25mm
- Number of Inlets: 3
- Compliance: London Underground (LU) Standard 1-085, BS EN 61386-1:2008

ETIM Class-9.0: Tee for cable protection tubes (EC002266)

Applications:

- Suitable for use in cable management systems
- Ideal for surface and sub-surface installations
