

MPN: NLSL8307

Product Name: 0-150W Module LED Load Dimmer Switch

Brand: Newlec

Category: Modular & Grid

Product Description: The LED dimming module incorporates the latest, next-generation dimming technology with the Newlec smart setting and learn and adapt technology.

Key Features:

- BS EN55014, BS EN50082 & BS EN60669 compliant
- Programmable smart settings
- Learns and adapts
- Flicker-free
- Silent dimming
- 2-way switching
- Offset pot for retrofit purposes

Specifications:

- Maximum Load: 150W
- Colour: White
- Method of Operation: Rotating button
- Number of Module Spaces (Modular System): 1

ETIM Class-9.0: Dimmer (EC000025)

ETIM Features:

- Assembly: Basic unit (EV000078)
- Method of operation: Rotating button (EV000092)
- Colour: White (EV000202)
- Number of module spaces (modular system): 1

Applications:

- Suitable for residential and commercial LED lighting control applications
