

MPN: NL11620

Product Name: 2.0A 12V DC White Boxed Power Supply

Brand: Newlec

Category: Power Supplies

Product Description: The NL11620 is a reliable 2.0A 12V DC power supply designed for various security applications. It features a white boxed design and is suitable for use with access control, intruder alert, and general security systems. The power supply offers full electronic short circuit and overload protection, along with battery backup connection for added reliability.

Key Features:

- Battery backup connection
- Full electronic short circuit and overload protection
- Lid open and rear anti-vandal tamper detection
- Green mains present LED and red fault LED indicators
- Ideal for use with access control, intruder alert, and general security applications
- Suitable for all access control products

Specifications:

- Input Voltage: 100-240V AC
- Output Voltage: 12V DC
- Current Rating: 2.0A
- Material: Plastic
- Colour: White

ETIM Class-9.0: Accessories for alarm systems (EC002942)**ETIM Features:**

- Type of accessory/spare part: Other (EV000154)
- Material: Plastic (EV000139)

Applications:

- Access control systems
- Intruder alert systems
- General security applications
