

MPN: NLFB32

Product Name: 32 x 152mm Flat Wood Spade Drill Bit

Brand: Newlec

Category: Drill Bits

Product Description: A drill bit flat wood spade 32 x 152mm is a type of drill bit that is used to make flat-bottomed holes in wood. It has a spade-shaped tip that is designed to cut through wood quickly and easily. The bit also has two flutes that help to remove chips from the hole as it is being drilled.

Key Features:

- For rapid drilling of larger diameter holes in wood
- 160mm overall length for added convenience and reach
- Two flutes: The two flutes on the bit help to remove chips from the hole as it is being drilled
- Black oxide finish: The black oxide finish on the bit helps to prevent rust and corrosion
- High-speed steel construction: The bit is made of high-speed steel, which makes it durable and long-lasting.

Specifications:

- Nominal Size: 32mm
- Overall Length: 152mm
- Material: Steel

ETIM Class-9.0: Core drill bit (EC000704)**ETIM Features:**

- Nominal size (mm): 32
- With pilot drill: Yes

Applications:

- Ideal for woodworking and carpentry projects
- Suitable for drilling flat-bottomed holes in wood
