

MPN: NLAUG12

Product Name: 12 x 235mm Hexagonal Shank Wood Auger Drill Bit

Brand: Newlec

Category: Drill Bits

Product Description: The 12 x 235mm Hexagonal Shank Wood Auger Drill Bit by Newlec is designed for rapid and accurate drilling in wood and plasterboard. Its 235mm overall length provides added convenience and reach, while the precision machined screw tip ensures smooth and progressive pull through. The back-tapered flute facilitates easy drill bit removal, making it an essential tool for woodworking and construction applications.

Key Features:

- For rapid and accurate drilling in wood and plasterboard
- 235mm overall length for added convenience and reach
- Precision machined screw tip for smooth & progressive pull through
- Back-tapered flute for easy drill bit removal

ETIM Class-9.0: Core drill bit (EC000704)

ETIM Features:

- Nominal size (mm): 12
- Holding system: Hexagon holder (EV004563)

Applications:

- Woodworking
- Construction
- Carpentry
