

MPN: NL8000

Product Name: 100mm Black High Performance In-Line Dual Speed Duct Fan

Brand: Newlec

Category: In Line & Shower Fans

Product Description: The Newlec in-line mixed flow fans offer two and a half times the pressure of a conventional axial fan whilst also being dimensionally compact. This makes them ideal for solving ventilation problems for ducted systems.

Key Features:

- Energy efficient and Part L compliant - SFP of only 0.4 at low speed and 0.37 at high speed
- Ideal for ducted applications
- IPX4 rated
- Extract rate speed of 69l/s in high speed & 52l/s in low speed
- Sound level of 24dB(A)@3m at high speed and of 20dB(A)@3m at low speed
- Easy installation and maintenance
- Fully building compliant

Specifications:

- Air volume, free flow (m³/h): 248.4
- Electrical connection: Terminals
- Duct diameter (mm): 100

ETIM Class-9.0: Duct fan (EC011013)

ETIM Features:

- Air volume, free flow (m³/h): 248.4
- Electrical connection: Terminals (EV020300)
- Duct diameter (mm): 100
- Connection: Insert end (EV020338)
- Degree of protection (IP rating): IPX4 (EV006621)

Applications:

- Ventilation for ducted systems
- Ideal for solving ventilation problems
