

MPN: NL8013

Product Name: Flat Channel Ducting Fixing Clip White For 204 x 60mm Duct

Brand: Newlec

Category: Channel & Ducting Accessories

Product Description: The Flat Channel Ducting Fixing Clip in white is designed for use with 204 x 60mm ducting. It provides a secure and reliable fixing solution for ducting installations. This fixing clip is manufactured from flame retardant material, ensuring compliance with building regulations. Its low-profile design makes it suitable for use in confined areas, and it is easy to fit, making it ideal for various ducting applications.

Key Features:

- Easy to fit
- Low profile for confined areas
- Manufactured from flame retardant material
- Conforms to building regulations

Specifications:

- Width (mm): 204
- Height (mm): 60
- Staple length: Separable
- Material: Plastic

ETIM Class-9.0: Cable retainer for trunking (EC001936)

ETIM Features:

- Width (mm): 204
- Height (mm): 60
- Staple length: Separable (EV007828)
- Material: Plastic (EV000139)
- Type of fastening: Inserting (EV007251)
- Colour: White (EV000202)

Applications:

- Suitable for securing 204 x 60mm ducting in various residential, commercial, and industrial ventilation systems.
