

MPN: NLSDSSET

Product Name: SDS+ Hammer Set 5 Piece Drill Bit

Brand: Newlec

Category: Drill Bits

Product Description: The SDS+ Hammer Set 5 Piece Drill Bit is a premium quality set of SDS+ hammer drill bits made up of high-speed steel material. It comes complete with a convenient plastic box for easy storage and transportation.

Key Features:

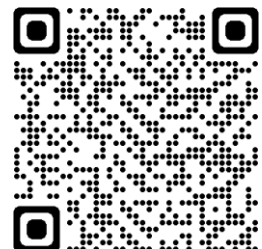

- Set contains: 5.5, 6, 7, 8, 10 x 160mm drill bits.
- Premium quality SDS+ hammer drill bits.
- Tip insertion is secured using purpose-made machines operating to pre-set specifications & tolerances, ensuring a consistently accurate and perfectly centralized tip for rounder holes.
- Furnace brazing process uses a copper braze heated to 1100C, giving the ultimate bond between body and tip, allowing the drill bit to withstand greater pressure and produce a greater number of holes.

ETIM class-9.0: Drill set (EC011842)**ETIM features:**

- Total number of tools: 5
- Packaging: Plastic box (EV002568)

Applications:

- Suitable for use in various drilling applications, including masonry, concrete, and stone.
