

MPN: NL880

Product Name: Standard 100mm White Wall/Window Axial Fan

Brand: Newlec

Category: Domestic Fans

Product Description: The Standard 100mm White Wall/Window Axial Fan is a 4" (100mm) intermittent extract fan designed for use in bathrooms, ensuites, and toilets. It operates most efficiently when wall or ceiling mounted, extracting polluted air directly out of the property without the need for extra ducting.

Key Features:

- CE marked and BEAB approved.
- Extract rate: 24l/s.
- Can be wall or ceiling mounted.
- High-quality ABS mouldings.
- Power consumption: 16W.
- Sound level dB(A) @ 3m: 32.

Specifications:

- Air volume, free flow (m³/h): 86.4
- Connection voltage (V): 240
- Electrical power take-up (W): 16
- Electrical connection: Terminals (EV020300)
- Suitable for electronic control: Yes
- Suitable for transformer control: No
- Height (mm): 154
- Width (mm): 154

ETIM class-9.0: Wall mounted fan (recessed mounted) (EC010930)**ETIM features:**

- Air volume, free flow (m³/h): 86.4
- Connection voltage (V): 240
- Electrical power take-up (W): 16
- Electrical connection: Terminals (EV020300)
- Suitable for electronic control: Yes
- Suitable for transformer control: No
- Height (mm): 154
- Width (mm): 154
- Recess diameter (mm): 100

Applications:

- Suitable for use in bathrooms, ensuites, and toilets for efficient extraction of polluted air.
